2023-2024 Retreat Theme

Someone once said that dance is the hidden language of the soul, and yet another suggests that dancers don't need wings to fly! Body and soul, heart and spirit, our entire being belongs to God. How fitting then, in a world that has, in so many ways, forgotten how to dance, how to rejoice in being God's very own beloved, that we take time to dance with the Lord, to remember the joy and peace that God wants for each and every one of us.

This retreat invites us to take time for the inner dance. Lean into the movement of our Trinitarian God, within and around us, who invites us to the dance floor of prayer, trust, and life. As we hear anew God's invitation, we may notice some hesitancy, fear or concern of doing it wrong or not feeling comfortable... and we remember it is in God that we live and breathe and have our being...

and the dance begins...

"...I will dance Lord, if you lead me..."
-Mechtild of Magdeburg, 13th Century Mystic
